Getting here:

Approaching from: King's Lynn/Cambridge/London
From King's Lynn go approximately 11 miles North on A149 towards Hunstanton. At third roundabout turn right signposted Dersingham and Ingoldisthorpe. Past the SPAR in Dersingham and carry on until you see the Ingoldisthorpe Village sign where you should turn right up a single lane (slowly please). Drive half a mile up the hill and round to the right, passing Hall Farm on your right. The turning to Ingoldisthorpe Hall is about 150 metres up on the left.

N.B The King's Lynn/Hunstanton road (A149) like much of the Norfolk coast gets very busy in summer time. Map readers like locals can cut across to Sedgeford from the adjacent village of Snettisham near Dersingham about 5 miles short of Hunstanton. SATNAV systems seems unable to compute this route.

Approaching from:
Norwich/South Norfolk

Aim for Fakenham and then take A148 towards King's Lynn. Approximately 5 miles after Fakenham take B1454 signposted Docking and Hunstanton. Continue on to Docking and continue through the village until you see a left-hand turning signposted Fring. Continue for approx 2 miles, drive through Fring continuing forward 2 further miles until you reach Shernborne. Drive past the Church on your right and take the second right hand turning past the Art Gallery. Drive 1 further mile and you will arrive in Ingoldisthorpe. At the first T-junction turn right and the entrance to the Hall is about 200 metres and is the second right turning.

Approaching from:

Burnham Market/Brancaster/South Creake

Follow the sign posts for Docking and follow the instructions above as from Docking.

Ingoldisthorpe Hall, Ingoldisthorpe, Kings Lynn, Norfolk, PE31 6PD
